

Career Seekers, a Job and Networking Ministry

"Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all affliction so that we will be able to comfort those who are in any affliction with the comfort with which we ourselves are comforted by God."

2 Corinthians 1:3-4

MISSION STATEMENT

Our mission is to help individuals to face the challenges of a job search and shorten the time of unemployment, underemployment, or looking for alternative employment. Career Seekers will help by providing information, assistance and coaching through the use of volunteers from AHEFC and our association with the Expanded Job & Networking Ministry. All services are free to the seeker.

WHO ARE THE MINISTERS

This ministry group consists of Human Resource Professionals, Business Owners and Executives who have the knowledge and experience to provide you with the critical information needed to conduct a successful job search.

EXPANDED JOB AND NETWORKING MINISTRY

AHEFC is also part of a Job and Networking Ministry that consists of 18 area churches dedicated to sharing resources to provide those who are looking for work with a variety of job search related seminars and job shops which take place at various area churches including AHEFC. In addition, this organization supports a web site listing open positions referred by members of the 18 churches.

WHAT YOU WILL LEARN

In addition to personal one on one coaching, by attending networking meetings and workshops you will learn how to prepare a strong resume, develop strong interview skills, prepare for frequently asked questions at interviews, valuable networking techniques, how to organize a search and many other related job-seeking activities.
